WHOLESALE TRADE LIST

*Ferndale Nursery*

*Askov, Minnesota*

## TO THE TRADE

To our many customers and friends in the Nursery trade we extend greetings. We appreciate the favors you have shown us in the past and shall endeavor to merit your confidence in the years to come.

### TERMS—

To customers who are known to us, or who can furnish satisfactory references, we will ship stock on 30 days credit, unless other terms have been agreed upon. Persons unknown to us or with whom we have had no credit dealings must give trade references and allow sufficient time for investigation. To insure prompt shipment of rush orders, persons unknown to us should send money order to cover cost of stock and packing.

### PACKING—

Prices quoted in this catalog **DO NOT INCLUDE PACKING AND BOXING.** This service will be charged for at actual cost of labor and material used.

### C. O. D. SHIPMENTS—

Orders for stock to be shipped C. O. D. must be accompanied with 25% of the amount of the order.

### PARCEL POST SHIPMENTS—

Cash with orders to be forwarded by parcel post **MUST** be accompanied with sufficient cash to cover parcel post charges, otherwise stock will be shipped by express.

### SHIPPING INSTRUCTIONS—

We prefer to have customers give explicit shipping instructions as to how stock is to be forwarded—freight, express or parcel post. Where method of forwarding is not specified or is left to us, we shall use our best judgment as to safest and cheapest method.

**PRICES** are **WHOLESALE** to **THE TRADE** only and subject **TO CHANGE** without notice. Use printed letter-head or Inspection certificate with first order.

All orders are accepted with the understanding that same shall be void should any injury befall our stock through frost, hail, drouth, or any other cause beyond our control.

### INSPECTION—

The stock of the Ferndale Nursery has been duly inspected by an authorized State Inspector, and found free from injurious disease and insect pests. Certificate of such inspection will accompany all shipments.

### GUARANTEE—

We guarantee all stock to be true to name and in good condition when it leaves our grounds. We exercise every possible care to have all plants and trees true to name and will, upon proper proof, replace free of charge or refund full purchase price of any tree or plant sent out by us that may prove untrue to label.

We do not guarantee stock to live and no allowance will be made for stock which fails to live after planting.

**CLAIMS—**

All claims for shortage and unsatisfactory stock **MUST BE MADE WITHIN TEN DAYS** from date of delivery. Claims for shortage, damage or delay in transit should be made to transportation company when stock is called for at freight or express depot.

## Telephone Orders

Call Ferndale Nursery, 43-M, ASKOV, MINN.

Telephone orders will be received up to 10 o'clock p. m. every day in the week including Sundays and such orders will be given "special handling" the following morning.

We have established a reputation for quick service and aim to maintain the reputation.

**TRUCK DELIVERY—**

We are prepared to deliver by truck within any reasonable distance. Our charge for this service will be on a mileage basis and will be found to be very reasonable on full truckloads. For distances under 300 miles, the cost of truck delivery in full loads will usually be less than freight charges plus boxing expense.

## SEEDLINGS AND TRANSPLANTS

### Healthy Northern Minnesota Grown Stock

The past two growing seasons have been very favorable for growth and development of high grade lining-out evergreens. Our stock of seedlings is of excellent grade and will give entire satisfaction. On several items our stock is very limited and orders will be booked in rotation as received. Money sent with order will be returned promptly if our supply is sold out when order is received.

Orders can not be accepted for less than 50 seedlings or 25 transplants of one size and variety.

50 seedlings, 25 transplants at 100 rate; 300 at 1000 rate.

O—indicates seedlings; X—indicates transplants.

### SPECIMEN TREES, BALLED AND BURLAPPED

**CARLOADS:** For prices on full carloads loaded in bulk write for special prices.

**TRUCKLOADS:** We are in position to quote very reasonable prices on full truckloads of evergreens delivered anywhere within reasonable distances. Write for delivered prices on full truckloads.

Our specimen evergreen trees are well and favorably known to the trade and we guarantee them to be satisfactory in every way. We can nearly always supply trees of various sizes in a grade which is not quite up to specimen. The price of such trees will be 60% of the price of a specimen grade for same variety and size.

## Special Notice

Our spring season for handling B&B Evergreens is usually of very short duration. During a brief period of only a few weeks we are called upon to move thousands of these trees which requires careful planning of work schedule. To assist us in operating on an efficient and economical basis we are obliged to require that all orders to be called for by truck be in our hands at least two full days before truck calls for them. Wholesale orders will not be dug on Sundays.

## Landscapers Attention

In addition to the specimen evergreens listed, we are in position to supply in limited numbers, Pines, Spruce and Arbor Vitae in sizes up to 12 to 15 feet. We can also supply heavy crowned American Elm and Silver Maple for special planting jobs. We invite correspondence on your needs in this line.

# HARDY FERNS

## HARDY FERNS

Hardy ferns still maintain their popularity for general planting. For shade or sun—for bog or dry hillside. For woodland, fernbed, rock garden, border or foundation planting there are suitable hardy ferns to be obtained.

Our list include 25 varieties which experience has proven to be well adapted and easily grown under cultivation.

Dormant roots can be shipped until the middle of June.

# Hardy Fern Varieties

Letters preceding common name of fern indicates adaptability of variety to growing conditions. R—adapted for rock garden; B—for bog or wet location; S—for shady places; O—open sunny location. Varieties well adapted for foundation plantings are so indicated.

## Shredded Peat Moss

Practically the same as peat moss imported from Holland except not quite so dry. Excellent for mulching and to mix with soil for acid loving plants such as ferns, arbutus, bearberry, gentians and many others. Also excellent to mix with heavy soil to prevent baking and packing and to hold moisture.

100 lb. sack, \$1.50, or 50 lb. sack for \$1.00. Should be shipped by freight.

## Rock Garden Plants

### Wild and Perennial Plants

Again we are offering a wide assortment of Northern grown hardy perennials, rock garden and wild plants.

During the last few seasons we have experienced a steady increase in the demand for wild or native plants. We believe this demand will continue to increase and that the dealer in perennials who will push the sale of these plants will be well repaid for his effort. We are in touch with collectors all over the U. S. and are constantly adding new varieties of hardy native plants to our list.

**Landscapers Attention:** Many of the varieties we list can be supplied in heavy clumps for immediate effect at double the price of two year plants.

The following index indicates adaptability of plants:

R—for rock gardens; RS—for shaded rock gardens; B—for bogs; W—for wall gardens.

\*—before a name indicates wild plants.

L. O. stock are seedlings or divisions and are available in season.

Less than 5 plants of one variety will be charged for at double the 10 rate; 25 of a variety sold at 100 rate.
